PEOPLE AND THINGS

WE SEE AND HEAR OF

Joe Naifeh was at Hickman the first of the week.

T. J. Lowry was in the Louisville market all of last week. He returned Saturday.

Mrs. G. K. Gatewood of Dickson visited relatives in the tenth district last week.

If you want good biscuits, get the best flour. Gloria is the best. For sale by T. J. Lowry & Co.

Governor Robert L. Taylor and General Harvey H. Hannah will speak at Camden next Wednesday.

The Ladies' Aid Society meets with Mrs. E. B. Graham at the parsonage on next Tuesday afternoon.

Mrs. A. P. Lashlee and Mrs. J. G. Fry and little daughter, Miss Sallie Jane, are spending the week in Nashville.

Mayor S. L. Peeler attended the meeting at Nashville this week of the grand lodge of Knights of Honor, of which he is grand dictator.

Joe J. Weatherly invites you to come in and see his new fall and winter goods, which he purchased while in market last week. Everything new and up to date. The millinery department is a thing of beauty, and Mrs. Bettie Cunningham, who recently spent some time in the Nashville market, can tell you all about the new hats and the prevailing styles for the fall and winter.

Mrs. D. A. Lynch and son, Walter, spent last week at Memphis with relatives.

Sample copies of the New Idea Magazine for ladies can be had by calling at this office.

"Wise Boy" says Gloria Flour should be paid for with gold. T. J. Lowry will sell it for any old kind of money.

The new studio and photograph gallery of E. C. Franciscow as formerly thrown open to the public Wednesday, and Mr. Franciscow says he is ready for those who want their "beauty snatched."

H. A. Rice, merchant at Clinch, has sold out, and we learn that it is his intention to come to Camden to live. There is always room for one more, and Mr. Rice will be extended a welcome to our midst.

All roads lead to Nashville this week where the State fair is the great attraction. Camden is well represented at the fair. Up to yesterday morning Agent W. A. Yarbrough had sold nearly 140 round trip tickets to Nashville, and the number for the week will be at least 150.

The Fifth District Democratic Club was organized last Saturday night with a good membership. S. A. Clement was elected president and Allie V. Bowles secretary. The club will meet at the court house tonight, when there will be speaking by members of the club and perhaps others.

To compare Gloria Flour with other flour is like comparing lemonade with branch water in August. T. J. Lowry & Co. sell Gloria.

THE JOHN H. SPARKS SHOWS

Will exhibit at Camden Thursday, October 18, afternoon and night.

The excellent reputation left by the Sparks' Shows on former visits to Camden would alone insure liberal patronage this time, but the lusty growth and vast improvements in the show since its last visit will make it more attractive than ever. Sparks is a man of energy and enterprise, wide experience and ample capital, and he has brought all this to bear in making his show superior to all other similar exhibitions. He has a brand new train of monster railway cars built especially for him, all new gorgeous cages, dens, costly trappings, etc. He has engaged the best talent big salaries can procure. He has expended over \$40,000 in increased equipment. Every effort has been made regardless of cost to make his show satisfying to his pride and advanced ideas. That he has succeeded is amply proven by the way the newspapers speak of his exhibition wherever he has appeared. It is the universal verdict that he has now the most splendid, complete and high-class exhibition of the kind in America.

Everyone should come to town in time to see the gorgeous street parade at noon, and then follow the crowd to the show ground and witness the big free exhibition.

ORGANIZE, DEMOCRATS.

I hereby request and urge the Democratic committeeman of each civil district of Benton County to call the Democrats of their respective districts together and organize Democratic clubs, and let's make a strong pull for the Democratic ticket from top to bottom.

W. A. LASHLEE,
Chairman County Democratic Executive Committee.

The Knoxville Sentinel declares itself to be a Democratic newspaper, but "an independent newspaper in every respect, subserving the good of the people as a whole, which we consider to be in the ultimate sense what Democracy means." That's a very good position as distinguished from the hidebound partisan organ which is constrained to hold that there is nothing but political good in its own party and that all that is bad is in the other party. The best service that can be rendered any party is common sense service, and common sense service, if it be true to itself, exercises the liberty of independent thought and expression within reasonable limitations.—Columbia Democrat.
